“ I served in one of my Army units with this Jim Zmierski. I believe we trained together in Armor AIT at Fort Knox, Kentucky, early fall, 1969. I am sure this is the man, but not 100 percent sure of location. GODSPEED Jim Zmierski. Prayers for your family.

“ *Forty seven years of loving memories of Jim. Ken and I have so many laughable & fond memories that we have been sharing together lately. We had a few vacations together. One to Florida and one on a cruise together. The greatest memory Ken and I will cherish will be how he loved our girls, husbands, and grandchildren and made them feel important in all of our gatherings.*

*When we were together, he always had jokes & stories that made us all laugh and love him even more as time passed. His smile will be forever missed. Life is so precious. May we all take this to heart. Enjoy and love your family. Love and serve God in a personal way. Make memories, and always forgive, because you never know when you will breath your final breath. Dear Brother in law...you will forever be in our hearts.*

*I've known Jim for over 30 yrs. I met him in the plant of Warren Truck Assy.. When I first met him I worked on the line. He then got me into the air tool dept. I can tell you we had many laughs together he would always call me a Los Angeles draft Dodger, one because I wasn't in the service, and two , because I was a ballplayer, and we'd always laugh at that. We also had a few beers along the way. Jim was a good man , and well liked at work I'll never forget him he has a place in my heart. God Bless you Jim I'm forever grateful to you. May you rest in peace my friend*
