“ I’m sorry to read about the death of Stanley and Mary’s last child. I was a good friend of Thoms for decades. Tom spoke so lovingly about his Mom and as sad as it is for those left behind, it’s comforting to know that the family is together again. My Deepest condolences to the entire Pilarski Family.

“ I am so sorry for this loss. I only met Jimmy a few times, but his kindness is something I'll remember. From all that I know, Jimmy was truly a kind soul. He was a person who was naturally compassionate, thoughtful, and generous. He had a gentle and caring nature which emanated to everyone around him.

From my visits, I remember he was also a man who had a sweet tooth. We had a shared love of key-lime pie, blueberry pie and elephant ear pastry. Just mention you liked one of the above and without question, he'd bring some over to share. Jimmy enjoyed doing kind gestures like that and he'd put a smile on your face if he could.

I wish family and friends peace and remind everyone to remember the loving memories of Jimmy to forever hold dear in your hearts. You are all in my prayers.
