“ *Papa, I was only 6 years old when you passed, here we are 12 years later and I know you are still looking down with us today, How could I ever forget when you would call 3 times a day just to see what I was doing, or all the joy, laughs and memories you brought to all of our family. I miss you like crazy and I know you are looking down smiling. You will always mean the world to me, even all this years later. Give Grandma Shirley, Aunt Jackie and Uncle Bill a huge hug and kiss for me. I will always love you and have the crazy amount of love like you did with me. - Nicholas Vodak*

“ Papa,
I am still in shock that this has happened. But I am glad that you are with Grandma Shirley. I know that you are up there with Grandma looking down on Noah and myself and our whole family guiding us the right way. I will never forget all the Christmas' and memories that we have shared. You are an amazing man and I will always admire your sense of humor and charm. (Now I know where my father gets its!) I LOVE YOU very much Papa and I will think about you everyday. Give Grandma Shirley a butterfly kiss (I will always remember that!) and hug for me! I will see you and her again. I LOVE YOU!

“*I'm truly sorry for your loss.
I pray that God fills you with peace and the comfort of knowing that your dad is no longer suffering the pains of this world and of the flesh.
I will always remember him as "Big John" and I'm so very thankful I had the pleasure of small conversations over the phone and also the chance to attend a church service and dinner with him and Charlie.
My heart goes out to the entire family.
With love and blessings,
