“ Cousin Gary and cousin Gail, my thoughts and prayers are with you, and with your families, during this very sad time. Your mom meant so very much to me. She was the most loving and caring Aunt and Godmother a nephew would ever want! I will miss her, and her storytelling, dearly!

Love,

Cousin David Zecchini

“ Joan was special to all of us and was the "sister" that was missing in the Zambelli family. We are sad at her passing, and hope that the love she shared and gave so generously will help sustain you and provide many happy memories in the days ahead. Love, from Mary Zambelli

“ Gary, Gail and children: we are very sorry for your loss during this difficult time and hope that you are able to hold onto many fond memories of your Mom/Grandmother over time. All of the Zambelli's have many great memories of being with her over the years; from way back on Denton Street in the old neighborhood through all of the extended family get togethers, weddings and graduations since. Personally, I will always remember her being positive and engaging each time I would see her. And, that she always called me 'Anthony', without exception! May Joan be at peace and her memories live on in each of you. Tony Zambelli (Anthony today!)

“ I am so sorry for your loss. Please know that you are never alone. You can find much comfort in the Holy Scriptures which assures us at Psalms 34:18 that God is near to those broken at heart and crushed in spirit. Please accept my deepest sympathies.
