“ My thoughts and prayers go out to the Asoklis family and Kudrycki family for the loss of Joan. I lived on Helen St. in Center Line two houses down from the Kudrycki family and my parents always talked about Joan when I was a kid for she was a great person with a lot on energy. The Kudrycki family was a really good family too. I remember Joan's family visiting her parents after she got married and always drove a 1968 green Dodge Charger in mint shape. I am sure the family has many great memories of Joan that will live on through her family for I know that I do. God bless your family and you are in my prayers.
