“ *Joan is my sister. As long as I can remember, she was there. She was 8 years older, so growing up we did not hang together. After I graduated from college, we got closer. She was the matron of honor at my wedding. She took me shopping for my wedding dress. Special memories. The last few months of her life we spent a lot of time together. Laughed and cried. Shared memories as only a sister can. I will always miss her. She was beautiful inside and out.*
