“ I will always remember Joanie as a friendly, kind and generous lady. Our lives were always entwined ...Prescott neighbors, then through marriage. I always thought of her as a dear friend and someone special.##imported-begin##Joanne Piechocki##imported-end##

“ Though separated by distance all of the memories is what keeps us connected. I will always remember the times at Grandma Oppies, holidays together, and lots of parties with all of us together. Aunt Joanie was always laughing and having fun. It was just two days ago I made "Aunt Joanie's buttercream frosting" for the cupcakes I baked. She will always be with us. Knowing she will be with Uncle Ray gives me peace and a smile (I hope she has her dancing shoes and a bowling ball) Our thoughts & prayers are with you.

Love to everybody!

“ Even though Aunt Joanie has gone to join her family in heaven, she will always be in my heart. She was quick-witted and I always enjoyed talking to her. She may be gone, but she'll never be forgotten.###imported-begin###Michael Kowalczyk###imported-end##
