“ *May your neighbours respect you, trouble neglect you, the angels protect you, and heaven accept you. -Irish saying
To John and your children and grandchildren Joan will be missed so much by all of you. But know that she is in a better place and she is talking and laughing with Aunt Charlotte and Uncle Bob. The last time I seen Joan was at your 40th wedding anniversary you both were so very happy! Nothing can take that from you.

“ I am sad for the loss of Joan. I will miss her very much because she was a wonderful and loving person. She had a very kind heart and I have always felt welcome in Joan and Johns home. No matter who you were if you were coming to visit, Joan (and John) made sure you had something to eat and drink. You also were sure to be happy and chuckling about something during conversation before you left. I am glad now that her suffering is over and she is with Christ in Heaven. Joan I will never forget you! To John and and their children and grandchildren I am sad for you all and you will be in my thoughts and prayers. Love you guys!
