“ We love you and will miss you. We have an abundance of great memories. Including our annual, and in our younger days, semi annual trip to Las Vegas with you and dad. We will certainly miss our Friday night dinners and pinochle games. We will also miss your delicious golf ball burgers, fried chicken, hamburger soup and your day old fried spaghetti, just to name a few dinners. But we will miss all the love you had and showed through the years to us, and our family, the most. Please say hello to dad and everyone that we can't connect with in our current life. Love Paul and Karen.

IN the Blink of an everything can change so forgive often and love with all your heart you never know when you may not have that chance againThose special memories of you will always bring a smile if only I could have you back for just a while , then we could just sit and talk again like we use to do ,you always meant so much and always will too. The fact that you,re no longer here will always cause me pain but you,re forever in my heart until we meet again .
