“ *Sending love and prayers to you all. Darlene and Karen, she was such a special part of all the happy times we shared on Ivanhoe Drive. Our moms shared such an amazing friendship and we benefited from it - Brownie leaders and penny hikes and lobster boils in your backyard and endless days in ur pool! I feel truly blessed to have shared the first 25 years of my life so close to your family!*

*Thank you Joanne for living with us at A Room at the Inn. Joanne brought class and beauty to us. Spending time with her discussing medical things was always a highlight for me. Joanne had a quiet comfort and confidence discussing anything, and especially medications for various conditions. The way she handled herself with such patience and insightful ability to read other people, showed how great a head nurse she must have been. Caring for her closely the evening before, Joanne felt safe, comfortable, warm, thankful, and loving. We prayed together, which she always liked, and there was no indication she was to leave us for Heaven in a few short hours. A remarkable woman. I will miss her pretty smile and the bond we shared.*

“ I am so glad for the friendship that “Mrs. P.” and my mom had. I grew up with them stopping either at our house or hers for a glass of iced tea or a cup of coffee. Summer barbecues and endless croquet games — all part of our special times with the Patalon family. Mrs P. was our resident nurse and I appreciated being able to count on her to be calm and our first line of doctoring when we went over there with a cut or weird bumps! She was a great lady and I send my love and prayers for peace at this time. From, Anne Cook
