

Jodi Ann Lancaster

April 16, 1966 - April 15, 2022

Jodi Ann Lancaster (née Moravcik), 55, New Baltimore, passed away peacefully on April 15, 2022, at home surrounded by her loving family. Adored wife of Everitt. Proud mother of Olivia and Nicholas Ottenbacher and Grace Lancaster. Cherished daughter of Leonard and Fiorita Moravcik, née Coglianesse. Sister to Brian Moravcik and Tracie (Dale) Geiger. Granddaughter of the late Joseph and Margaret Moravcik, Rita Swiderski and Ben Coglianesse. Daughter-in-law to the late Mary (Betty) and Glen Lancaster and sister-in-law to Claudia (Jeff) Kampe, Rich (Mary) Lancaster, and Jolaine (Ken) Swartzendruber. Aunt to many nieces and nephews.

Jodi was born on April 16, 1966 in Detroit, MI. Growing up on Harsens's Island, she loved the outdoors and spent some of her happiest times boating with her family and playing on the lake. She was a very loving and supportive sister. She absolutely loved being a mom – and fiercely supported her kids in whatever they did. Extremely organized, Jodi kept everyone she loved on task and spent most of her working life as an executive assistant at Ascension Michigan. She treasured her family and her many, many friends. She truly loved her monthly get-togethers with the JUGs, and rarely missed one. She enjoyed cooking and was an avid Food Network fan.

Jodi began her cancer journey in 2015 and fought with grace and strength, determined that cancer would not define her. She was an inspiration to

everyone who knew her, always looking for the silver lining. Jodi had a magnetic personality and was quick to laugh. She touched so many lives and will be greatly missed by all those who were lucky enough to know her.

Family and friends are welcome to a visitation Thursday, April 21 from 3 - 8 p.m. with a special message from Jodi to be read at 7 p.m. Visitation will also be held on Friday, April 22 at 10 a.m. followed by a funeral service at 11 a.m. at the Wasik Funeral Home-Gendernalik Chapel 35259 Twenty-three Mile Road, New Baltimore, MI 48047.

“ Jodi and I worked at Ascension together for several years and we became more than work fiends - she was one of those people that livened up a room, we would talk about families, she always would help if you were planning a party by checking Pinterest, sharing of recipes. Of course there was also who was caught up on episodes of Blacklist, American Idol, This is Us, Handmade or Outlander.... Work lunches in the conference room, Friday morning coffee chats, oh the endless conversations around Jodi's desk - she is leaving a void even in this virtual environment! Deepest sympathy to Everett, Olivia, Nicholas, Grace, Mom and Dad, Tracy, Brian and the JUGs
💔 Feeling so sad — unable to attend this week's services as I am out of town - all my thoughts and prayers are with all of you. Jodi my dear friend RIP.

“ Jodi and I (Wayne) worked together for many years at Lobdell-Emery Mfg. and Oxford Automotive. During that timeframe we built a very strong friendship that has continued throughout the years. I truly cherished all the fun-filled times we shared together. We have no words to describe our sorrow. Jodi's passing is a great loss for all who knew her, especially for Everitt, Olivia, Nicholas, Grace, Fio and Lenny. Our hearts go out to them. And we pray that Jodi is now resting in peace.

“ *It is times like this that I really do hope that God is holding someone gently in the palms of his hands. May you be Resting In Peace Jodi.*

Jodi and I were more acquaintances than we were close friends, but that never stopped her from making me feel so important and comfortable when talking to her at gatherings or wherever we ran into one another. She was a genuine good soul and extremely uplifting person and I am so sorry that her loved ones had to say their goodbyes way too soon. God bless all of you.

“ It is hard to believe that Jodi's fight has ended. She has left behind so many who loved and admired her quick wit, her infectious laugh, her love of family and friends, her strength and perseverance, her humorous work blogs, her kindness and her positivity. Having worked with Jodi for many years at Ascension, I always enjoyed our virtual times together and continue to be inspired by her courage and strength. I am grateful for our work years together and am sending my deepest sympathy to her cherished family and all who knew and loved her.
