“ I was so saddened when hearing of Jody's passing. He went from a loved student of mine to a loved friend. Even though we would go for long periods of time without contact,he always remained in my heart and memory. When we saw each other, it was so easy to pick up where we left off. I was so pleased with the kindness he showed toward others and his willingness to help those in need. He was a good man and will be missed by so many. May others pay tribute to this wonderful man by paying it forward and exhibiting continuous acts of kindness in Jody's memory.

To Carol,Greg,Scott,and my sweet Julie, my prayers will be with you all and I thank you for allowing me to be apart of your lives so that I could know this wonderful man.

“ Very saddening to hear of this. I met Jody through my friendship with Scott. The first time was when he was sitting in the living room with a guitar in his lap trying to figure out the solo from Ozzy Osborne's "Miracle Man. " During the few years we spent hanging out going to concerts & meeting musicians he always had a smile and was quick to laugh at a joke. My heart goes out to the entire family.

“ Jody will be missed dearly. I knew Jody from our friendship at Rock Church in New Baltimore. I will always remember him by his huge smile, kind words for everyone, willingness to always help with anything and his great sense of humor. He always made me laugh. I loved talking to him about the things of God. He loves Jesus and today I know he heard those awesome words "well done good and faithful servant, come I've prepared a place for you." I will be praying for those he left behind and Jody, No more tears, pain or sorrow only joy as eternity stretches out before you and you walk the streets of gold with our Lord. I will see you again my friend.

with a grateful heart for having known you, your friend and brother

“ I'm sending prayers your way for strength, peace and comfort as you lay Jody to rest, today, tomorrow and the months to follow. Jody will be missed, he helped me out on several occasions with prayers and friendship. I'm just hoping that I gave even half of what he gave to me. He accomplished alot, between his ministries, being on the prayer team at Rock Community Church, his music (guitar), his love for his family and friends. He also loved nature and parks. I believe that his favorite park was stoney creek ! He loved to run, walk just being outdoors was all He needed. I miss you already so much. I'm so sorry that we lost a year of time together but I truly never stopped thinking about you, my friend! You are now with our Heavenly Father! Enjoy yourself walking on streets of gold! No more pain, sadness or worry! Your family members will be ok in time, for they will get plenty of support from Jesus Christ and through prayers. Also from family and friends, so Jody just RIP, MY FOREVER FRIEND, UNTIL WE MEET AGAIN AND WE WILL BECAUSE WE WERE PROMISED ETERNAL LIFE WITH OUR HEAVENLY FATHER! LOVE ALWAYS, URSULA FLEECE

“ Jody, your heart must of been heavy with pain that day, when God called your name. Your family and friends will miss you deeply for you were a very special guy. I was so saddened to hear of your passing and my heart goes out to your Mom and Dad , Brother and Sister and your extended family. You were always so polite and softly spoken. May you find peace in heaven and soar with all the other Angels.

“ *Jody was such a wonderful man. He was so selfless and always went out of his way to help others. When I was pregnant with my son, we had it all planned out on who would relieve my husband from work for us to go to the hospital, Jody had not been part of that plan at all, but when my contractions started at 1:30 in the morning, Jody had been the only person to answer my husband's frantic phone calls to come in to work. Kevin and I are so proud to have gotten to know him and call him our friend. Rest in peace friend, we will miss getting lost in those beautiful blue eyes of yours.*

“ I only had the pleasure of knowing Jody for about 3 years, he was one of the 1st people that I met at Rock Church. He was always so genuine. It was a pleasure to know him, as he always put a smile on my face when I saw him. His love for Jesus was contagious. God bless you Jody. You will be missed my friend

Yes, he will be, but he's in the best possible place to be and that's with our Heavenly Father. Knowing that, it will get me through this and comfort me. I will miss alot about you especially those beautiful eyes. God Bless You My Friend! Ursula
