“ I don't even know where to start? I am so very sorry for your loss. I am so very sorry for not being there for you all - I didn't know. I am thankful to Joel's mom for letting me know - I know that must have been so difficult to do because you are grieving. Bob - I am so sorry. I am so very sorry to you Joel. I wasn't there when you needed me. Joel is the best human being I have EVER known. We met at Fraser High School and have stayed true friends throughout the years. The last time we talked I told him "nobody knows me like you Joel." He told me how much that meant to him with a quivering voice and tears. It didn't matter how often we talked because everytime we did - it seemed like it was yesterday. I missed him so much before, and soooo much now; I can't imagine what's to come. My heart is with you all and I am here for you always!

To you Joel - You will always be my best friend. I will treasure all the memories of the times we spent together - just being real. You truly are one of a kind - a person with a warm heart and genuineness. I am so thankful to you for everything - your friendship, loyalty, honesty, and love. You will remain in my heart yesterday, today and all of the tomorrows - forever. I love you Joel.
