“ Uncle John had a very unique way of making everyone feel special. He was full of life and loved hanging out with the kids and being involved in all of their shenanigans'. Ken and I always appreciated how good he was to our children Kris and Kenny and will always be grateful for that. We all had a very special relationship with him and loved him very much. He will be greatly missed.

Lots of Love,
Sandy

“ Thanks for all the memories Uncle John! You always made us laugh. I will never forget our trip to Florida when I was a kid or how much fun we had when you came to Lansing for my graduation. And of course, our 30+ year tradition of Friday night dinner and desserts. I miss them already.

Love You,
Kris

A fond memory of Grandpa would be when I was younger me and my cousins would hunt for "boogies" down his laundry shoot. He would pretend these "monsters" were real and we believed him. He was such a fun and loving grandpa who would laugh and play with all of us. Grandpa, I hope you can see in heaven that I love and miss you!!!
