“ We are all so sad about Jack's passing. I have many memories of him when he was younger and our families would get together more. Unfortunately, as time goes on, we seem to see each other less. Last time I saw Jack, we were at McKenzie's grad party. I remember being struck by his magnetic smile and his warmth...he was always easy to connect with, despite how much time had passed. It is hard to believe that he is no longer with us in "the same way", but I believe he will STILL be with his loved ones in the fun times, the hard times, the milestone moments! I am so sorry for all the pain his loved ones have to endure and the void they will feel not having Jack with them, in those ways they were used to. His presence will be felt though, look for the signs he sends you! I have no doubt that Jack is in heaven, he is with my dad, my Uncle Ron, Grandma Grimm, David, and all our loved ones who have gone before us...Sing that Spartan anthem loud, Jack, especially when you meet up with David and your Grandpa! Go Green! Jack, I will miss seeing you at family get togethers...you will be the best guardian angel for your siblings and nephews/niece. ...Mary/Mark, Bob/Michelle/Dominic/Jayden, Michael, Kelsey, Matt/Brooke, and Meghan, please know that you have our support and love ...To all the family and friends who are grieving this tremendous loss...you are ALL in my thoughts and prayers. With so much love, Kathy (Grimm) Huyghe
