“ Hi Nancy and family - I'm heartbroken for you and for my parents. John was such a kind, funny, engaged, engaging, good man. My dad is going to miss their Saturday morning calls and the birthday dinners and cruises, and so much more. You four have had so many fun times together. I remember meeting up with you in Jacksonville many years ago when you were on your way to a Caribbean cruise, I believe. We had great laughs, as always. My thoughts, prayers, and love are with you. If I can do anything at all, please let me know. With Love and Deep Sympathy, Suzanne

“ Nancy, I just can't express how sad this makes me. You are living my nightmare. I wish I knew just what to say to help. A good, loving man has been moved to angle status. We are thinking of you and the family.
