

John J. Haas

November 21, 1965 - June 10, 2019

John J Haas (53) of Harper Woods, MI passed away suddenly due to health complications on June 10, 2019 after a recent diagnosis of cancer (T-Cell Non-Hodgkin's Lymphoma). He was a 1984 graduate of Harper Woods Notre Dame High School. An almost 30 year employee of Chrysler Corporation, Daimler-Chrysler, FCA, etc, John used his Motech training to great advantage and really enjoyed anything that went fast, especially cars and speed boats. At Chrysler (et. al.), John was very involved as a co-instructor in their Dale Carnegie training programs and was recognized many times for his achievements. Actively following Dale Earnhardt, John was an avid fan and collector. The Woodward 'Dream Cruise,' and many special racing and stock car events were sources of great enjoyment for John.

For many years, he enthusiastically coached women's softball in Harper Woods.

Preceding him in death were Carl Haas (brother) and Joseph Haas (father). Grieving his passing are his mother Marian "Betty" Haas, siblings Sonja (Martin) Myers, Marie Ivey (Jerry) and Eric (Melissa) Haas, nieces, nephews, godchildren, cousins and everyone's families. Among his dearest friends are best friend Mike & Wilma Carr, Dave & Debbie Kien, Steve & Judy Meyer, Elise & Mark Cilluffo, Dan & Susie Groth and Patti Rapson. John enjoyed more than 30 cruises and loved to travel often with friends Mike and Wilma Carr and their family.

John took excellent care of his mother (now in memory care), was always a

helping hand, and loved to assist his friends in their special projects. The family also wishes to thank his friends and extended family for their life-long kindnesses and support of our brother John.

The family will receive visitors at Wasik Funeral Home (11470 East 13 Mile Road, Warren, MI 48093) Sunday, June 16 from 4-8pm and Monday, June 17 from 4-8pm with a Celebration of Life Monday at 7pm. We would be honored if you could remember John (a type 1 diabetic) with a 'Tribute Donation' to the Juvenile Diabetic Research Foundation (jdrf.org). Out-of-town family please contact Eric Haas for planned get togethers.

Please feel free to post your comments and photos of John on the Wasik Funeral Home Memory Page. <https://www.wasikfuneralhome.com/m/obituaries/John-Haas-7/Memories>

“ Us girls at the Cardellio office are deeply saddened to hear of John's passing. He was always so kind to us and remembered us each Valentine's Day and Mother's Day with an Edible Arrangements basket. He always spent a few extra minutes chatting with us talking about his trips he had planned. We always looked forward to his visits and he will be greatly missed.

“ A special giving person - John worked in 40 Dale Carnegie classes with me as a grad assistant, graciously giving of time to assist others in the training. He was initially a student of mine, then an assistant, and most importantly a friend. He was generous to a fault and remembered every significant date - birthdays, anniversaries...even the death of my parents. Surely heaven will welcome him with open arms as he looks to see how he can be useful in that new realm. I miss him already. God Speed dear friend - my deepest gratitude for all you did and for who you were. Patti Rapson

He had a plaque for 45x Dale Carnegie courses. I know he valued his contributions to your courses!

“ Little Johnny, my youngest baby brother, my own little guy. I always loved him so much. I always wished I could protect him from the world, to keep him healthy and safe. John was so fiercely independant, so driven, so private. After I grew up and left the house, it was not fair that he was left to guard the castle, mostly by himself.

“ I had to break the news to Duke. He was distraught. He started crying with me! (For an 85 pound Labrador, crying means licking me all over the face and trying to get me to stop crying.) Duke will forever miss riding on John's shoulders. I'll tell Daisy to greet you at the pearly gates. She will be so happy to see you again. She will drop a tennis ball in your lap until the rest of us can see you again. John, you were Steve's first cousin, but you were like a brother to me! Words do not express my grief. I will forever remember our Teddy Bears for our cars!

Jorny - and you know the meaning

What a great time we had with the cars we worked on and got to drive to the trips to car shows. You were selfless and a gift I will forever miss.

I think the Beatles said it best. The love you take it equal to the love you make!

Your friend,

Ed
