“ John was like a member of my family for the last 5 years. Always quick to help a friend, make you smile, or say one of his classic "Hifko-isms". No matter what was going on, this man radiated love and kindness to the people he cared for. I miss you already John. I'll miss our goofy text messages. I'll miss your laugh. I'll miss the way you mispronounced "cardinals" and the animated way you told me stories. Most of all, I'll miss your friendship. I am so grateful to have had you in my life even if it was for a small amount of time, because the impact you left on me was great. You are forever and always in my heart.

“ I'm chairman of our Altar Guild @ Christ Lutheran Church on Schoenherr near 14 mile. We order flowers from Sam's florist every week for our altar for weekly services. When picking up the flowers Saturday morning, John always met me with a smile. He was so accommodating to us. He would save the cellophane sleeves for us so we could wrap the flowers after our services and take them to our shut ins or someone ill. He would always make sure our requests for a certain color of flowers was met. He was a great guy. Will miss him but know that he is the presence of our Lord and Savior.
