“ *Uncle jack was funny and enthusiastic and always doing his best. He was offbeat in the best way. He taught me how to play pool and would talk to me when I was being awkward and shy and kind of let me know it was okay. He was a great man and I wish I had more time with him. He will be missed.*

“ *My favorite memories of grandpa are when he'd tell us about his father and all his accomplishments. He would always beam with pride when he talked about him. Then he'd tell us we had the Hedelund brain and tell us how smart and amazing we are. <3*

“ *I remember when he came down to our house and I showed him my muscles and he explained where all my muscles were and then after words I flexed all of them to him. XXX His granddaughter Madeleine*

“ Dad - you gave me the best gift ever, when you walked me down the isle! That was our special moment and of course our dance! I love you so much and will miss you dearly.

“ I taught across the hall from Jack my last year of teaching at Brownell. He kindly fixed a child's antique desk for me and my grandson uses it to this day. Whenever I look at it, I think of Jack helping me. I helped him a little too, with all the new technology. May he rest in peace. Joanne Case

“ We only had met jack once or twice, when he came to our house for a barbecue . But I can speak volumes about Leslie his wife And his son Ron. Over the past few years the 2 of them have taken very good care and made sure that jack's last couple of years was very comfortable. You couldn't have asked for a better wife and son. And I'm sure Jack is in a better place now with no pain. With our deepest condolences Matt & Terrie Reetz 🙏
