“ *How do you put 40 years of friendship into words. John was not only one of my best friends but he was car loving friend, poker playing friend, hunting partner and my best man at my wedding. In the 40 years that we where friends We always had a good time together and the memories we made are unforgettable and will be cherished forever. He was very proud of his marriage to Diane and their two son's Ryan and Ethan and talked about them every time we where together. I will truly miss our friendship.....RIP my dear friend.*

“ John - You were such a proud dad when your two beautiful babies were born. Both you and Diane made sure their birthdays and Christmases were filled with joy, happiness, and family. Alan and I knew when we came over that we were going to have laughs, good food, and family memories. We will forever miss your smile and your laugh.

“ John was a wonderful son-in-law. John & Diane blessed me with two remarkable grandsons. John was also an excellent cook. He helped me get my appetite back when I was seriously ill. He will be missed forever. He was an important person in my family. We have many happy memories of him. One day we will all be together again.

“ Johnny growing up that is who we're, and are to me. The memory that I hold dear to my heart is when you were quite young and you were dancing your little head off ❤️ Or a time when I was in a parade and you and Mom and others was sitting on the side line and I heard this small voice yell out Hi Aunt Rosie, of course I was embarrassed but for all the wrong reason I was just to young to be called Aunt. Johnny I know your going to be greatly missed for all the lives you loved and touch. Fly high with the angels. We love you. Aunt Rosie

“ John, 24 yrs. ago today was our first date. Even though, an early memory I had of you was, you walking by me at work with your nose in the air and I thought you were stuck up! You were just trying to look cool. You were my life. I'll cherish every hug and kiss and great memory we've shared. I can't pick just one. I loved all the projects we worked on and things you made for me and life we accomplished with our boys. I'll miss those blue eyes and the way you made me laugh. We weren't done yet! Build me that mansion, till we meet again Love you forever, your girl Diane❤️❤️ *Thank you to everyone whose prayers, kindness and love are helping us get through this sad loss.
