“ *A great human being and a very dear friend. John helped me so many times, and in so many ways. I always enjoyed working with him, laughing with him, going to the ball game with him, and complaining about the Tigers with him. This is truly an unfortunate loss for all of us. He will be deeply missed. May God welcome him in into the Kingdom of Heaven and bless and comfort his family. They will be in our prayers daily.*

“ Dear family of John Kay,

*As many others, I meant John through Hockey, however John also loved Baseball.*

*John has given tireless hours to the hockey community, especially in the Belle Tire AAA program and his annual tournament. John has always been level headed and fair, even when calls did not go his way. Knowing John for the years I have, if John wasn't spending his time with Hockey, he always wanted to spend it with his family.*

*May God bless your family with peace and comfort at this time of sorrow.*

*Our prayers and deepest condolences.*
