“ I am deeply sorry to hear of your loss. Losing a loved one is never easy. Prayer and consideration of the hope found in the bible can help to ease the pain. Possibly consider 1 Corinthians 15:18-20 tells us resurrection is possible via Jesus. This brings the hope found in John 5:28, 29, where it speaks of Jesus calling out to the graves, and shows us that there is a Resurrection hope.

Please take the time to review these scriptures as they give real encouragement from gods word the bible.

Again I would like to express my deepest condolences.
