

John Peter Osterman

March 5, 1942 - July 14, 2025

It is with profound grief and sorrow that we wish to inform you of the peaceful passing of John Peter Osterman on July 14, 2025, at the age of 83.

John was a shining light in the lives of all who had the privilege of knowing him. His journey on this earth was one marked by love, compassion, and his belief that people were the most valued asset of any organization.

After leaving Mt. Clemens after high school and spending four years in the US Army, John returned to Mt. Clemens where he met and would later marry his wife, Sandra.

John worked in the tool and die and equipment building industries when he founded his first company Tru Bend in 1974. John had the entrepreneurial vision to launch and develop multiple successful businesses over his entire life including the Skate Loft, JP's Clubhouse, Surfside Stamping and Selective Industries, Inc. to name a few.

John's legacy lives on through his wife of 61 years Sandra and his loving children: Tammy (Michael) Black, Sherri (Timothy) Teller, Michael (Laura) Osterman, and Dawn (Derek) Wagner. As a grandfather, he reveled in the laughter and joy of his grandchildren: Cory, April (Andru), Nicholas (Caitlin), Noah, Hope, Adam, Chloe, Aaron, and Lukas. He took immense pride in his

great-grandchildren: Cheyenne, Cameron, Calus, Zariah, Cash, and Ella, each of whom brought him great happiness.

He loved travelling with his wife and family. They enjoyed decades of travel and made friends all along the way. Their travel adventures would take them from Michigan to Florida, Rhode Island to Mississippi, and from Hawaii to the Caribbean. John and Sandy's RV treks across the country were legendary with some tales having better endings than others.

John was never scared to take on new opportunities. He thrived at taking on projects that others had passed on because they were too difficult or "couldn't be done." John did everything with honesty and integrity. He had very strong values and was well liked by everyone, mostly due to his positive energy. John had incredible patience, and always made time to help others. He was inviting and easy going and had a young-at-heart quality.

John loved to golf with his friends and family and it was one of his favorite past times.

Those who knew John will remember him for his infectious smile and his unwavering commitment to spreading love and kindness to everyone he encountered. He had a rare gift for making others smile and laugh, leaving a lasting impact on all who crossed his path.

His passing has left a void in the hearts of his family, friends, and many more whose lives were touched by him. We ask that you remember him not for the way his life ended, but for the way it was lived, and for the profound impact it had on the lives of those who had the pleasure of knowing him.

Although John's physical presence may no longer grace our lives, his spirit will continue to inspire and uplift us. May his memory be a blessing, and may we

carry forth his legacy of love and compassion in all that we do.

In lieu of flowers, the family kindly requests contributions to charities close to John's heart. His memory will forever remain in the hearts of those he touched throughout his memorable life.

“ Some of my earliest memories are of times spent on Hennings with Uncle John and Aunt Sandy. I can remember Uncle John taking Tammy and I for rides in his pick up truck and steering with his knees, he even let us sit on his lap and “drive”. I thought he was the coolest and still do!!! RIP Uncle John.

“ John’s passing was definitely a surprise. I met John at Riverside and played many a round of golf with him. I will truly miss his laughter. I know that he is going to leave a big hole in the Riverside family. Marilyn and I wish Sandy and the whole Osterman family our deepest condolences. Hope that Sandy will consider coming back to her family at Riverside.

“ Dear Osterman family,
As described by so many we will always remember John’s big welcoming smile, positive energy and happy young at heart attitude. We know there are no words to ease your pain at this time, but please know this: All of those positive pieces of your Dad, Grandpa, Great Grandpa are clearly visible inside each of you. Continue to share those traits with your beloved Matriarch and the world.

“ With heartfelt sorrow, John Osterman is remembered as a dear family friend. His presence in the family for over four decades was a true blessing, filled with shared laughter, unwavering support, and cherished memories. He will be deeply missed and forever held in our hearts. The holiday vacations in Florida and April & Andru’s wedding in Colorado Springs were some of our fondest memories and good times. We’ll never forget his infectious smile and loving spirit. Deepest sympathies and prayers are with the family.

“ You couldn't ask for a better father-in-law than John. He was a father figure that taught me so much during our time together. He was my go to man when I needed advice or had a mechanical question. He will be missed greatly, but his kindness, generosity, and love for for life will be carried on by his family. Love you John!

“ *My Dad knew John through Tool and Die, he was always so pleasant to our family, as times grew us apart he always talked about him from time to time with big smiles, then I would think of him when I went to Skate loft every weekend. May he rest in peace.*
