“ *To the Sziezyk family,
My mother, Marlene Elwart, called to tell me of the passing of John. I am shocked and lost for words. John and I dated back in middle school and we had the best times when we would go roller skating together. In fact, I still have the necklace he gave me. When John was an alter boy, he always made going to church much more tolerable, because we would flirt through the whole mass. Mr. Sziezyk was like a second father to me. I am so sorry for your loss and hope that your family may find comfort in the memories of John.
Thinking of you,
Diane Elwart Mosier*
