“ Dear Sulki Family and Friends,
It saddens me deeply to read of the loss of your dear loved one.
Please accept my family's sincerest condolences. It brings comfort
to many to know that The Almighty God and Creator promises us in
The Bible that soon death, mourning, outcry, and pain, will be no
more, and He assures us we can see our dead loved ones again by
means of an Earthly resurrection. May you have peace.

“ To my wonderful loving Dad, you were the
Patriarch of our family. Your love was always
bestowed upon us, your family. I'll never forget
all the things you have taught me, all of your
kind and loving ways, the content i got when i
needed you, the wonderful support and never
saying no. You were the perfect provider to our family growing up
and the memories i have in my heart of you will always stay there.
It's going to be extremely difficult living without both you and mom,
but you taught me my independence and for that i will always be
grateful. It's never good-bye, it's until we meet again. And for that
day i will always wait. I love you Dad, enjoy eternal life, Amen.
