“ I found out today 05/15/2021 that Mr. Tom Stanczyk passed away. Tom's son Mark and I grew-up together and were friends in childhood and throughout adulthood. My own father passed away when I was a young boy and Tom was a much needed father figure to me. I will always have fond memories of my time spent with the Stanczyk family and remain thankful to this day for how welcoming and enduring their home always was to me. Tom was a hard worker and on Saturdays we learned so much from his many projects. Sundays he reserved for family and church. There is no doubt that Tom's influence in my life shaped some of my own work ethic and parenting goals. My deepest condolences to the Stanczyk family, extended family and friends of the family.

With love,

Martin Murphy II, Debra Combs, Samantha Murphy and Kori Murphy
