

## John Peter Ziebron

November 1, 1948 - June 10, 2025

John Peter Ziebron, a cherished resident of Attica, MI, passed away peacefully on Tuesday, June 10th, 2025, at the age of 76. Born in Detroit, Michigan, on November 1st, 1948, John lived a life full of love, passion, and dedication.

John was the devoted son of the late Joseph Frank Ziebron and Helen Bridget Ziebron. He is survived by his beloved brother, Anthony Ziebron, who resides in Washington, MI. John's parents preceded him in death, but the values and love they instilled in him continued to guide him throughout his life.

Through his formative years, John received his education at St. Catherine Catholic School in Detroit, a foundation that would lead him to pursue a specialized education at RETS Electronics School, also in Detroit. His passion for electronics led to a fulfilling 37-year career as an Electronic Engineer with General Dynamics in Sterling Heights, Michigan. John's expertise and dedication to his work left a lasting impression on his colleagues and the industry.

Beyond his professional accomplishments, John was well known for his spirited enthusiasm for drag racing in his younger years. His adventurous spirit extended to his love of boating, where he found joy on the open waters. Known for his generous heart, John willingly gave his time to help others,

offering assistance wherever he could. In his leisure, he was a skilled craftsman; woodworking was his passion, though he also enjoyed creating with metal, constructing pieces that reflected his creativity and meticulous nature.

John was a man of deep faith. A Funeral Mass in his memory will be held there on Tuesday, June 17th, 2025, from 11:00 am to 12:00 pm, where friends and family will gather to honor and celebrate his life.

Before the Funeral Mass, visitation will take place at Wasik Funeral Home in Shelby Township, MI, on Monday, June 16th, 2025, from 3:00 pm to 8:00 pm. Friends and family are invited to pay their respects and remember the vibrant life John led.

John left an indelible mark on the lives he touched, and his generous spirit, love of life, and resilience will be dearly missed by all who knew him. His memory will continue to inspire those who had the privilege of knowing him and he will be lovingly remembered for his kind heart and steadfast spirit. Donations may be made to St. Jude Children's Research Hospital.

Arrangements have been entrusted to Wasik Funeral Home-Shelby Township.

“ My husband worked with John at GDLS. I first met him at the GD log picnic and he greeted me with a welcoming smile and hug. Throughout the years I became aware of his talents and willingness to do whatever needed to be accomplished. Definitely a good man. Eternal rest grant unto him and let perpetual light shine upon him. RIP, John. May the Lord bless and grant peace to his family and friends.

“ John was more than just my next-door neighbor, he was a generous mentor, a brilliant mind, and a kind soul. He was always ready to help, offering his time and wisdom without hesitation. I feel truly fortunate to have known him. His presence had a way of lifting my spirits, no matter how difficult the day. I deeply regret not having more time with him, but I will always cherish the moments we shared. He will be profoundly missed.

“ I just discovered over the last 6 months how talented this friend of the past 40+ years really was! His last 'project' (the last few weeks), was fabricating and installing a firing pin in my octagon-barrel 22 rifle.

“ I worked with John for many years at General Dynamics. He was an inspiration and always was thinking out of the box. John never just settled for the way things were but tried to show everyone how things could be. His work with Leader Dogs was truly rewarding and he knew when it was time to volunteer again once he turned over a dog to its new owner. Rest in peace John and we all will reunite again in the Kingdom of God. Mike Pantano

“ John was the kind of neighbor everyone wants, pleasant, helpful and friendly. He always seemed to get a kick out of listening to me yell at my 4 over 1100 lb horses and my annoying dogs barking at him. I'll miss our chats over the fence and seeing him out in the yard, workshop or garage. Every year this wonderful craftsman would give us a handmade ornament which I keep out all year long. They are too precious to hide away til Christmas. So he will essentially be 'hanging out' around our home. Prayers to his family to bring comfort and healing.
