“ So sorry for your loss, I worked in the maintenance dept. with John for many years. He took alot of pride in his work, paying attention to detail. John was always talking about his family and especially those grand kids. It was a pleasure to know and work with John.

“ I knew John through work, he was a customer of ours. John was always the kindest man, never had a negative thing to say. I remember him always talking about his children, grandchildren and wife. Always told me how his wife "loved spoiling those kids" but the way he said it you could tell he LOVED it. I was just thinking about him a couple of days ago. Will definitely be missed and never forgotten. My deepest sympathy goes out to the family.##imported-begin##Alana Cattaneo##imported-end##

“ We will always remember John as a kind and loving neighbor. He would bring our daughter, Megan, spaghetti (which she loved) whenever he went for coffee. His loss has affected us as if he was a part of our own family. We are only a few minutes away if you ever need anything, or if you need some company. We love you Ms. Pat :)##imported-begin##Lucas Family##imported-end##

“ We are very sorry to hear about the loss of John Doyle, your husband and father and grandfather. Dave got to know him as a good father to Matt when Matt had severe injuries to his leg.

Please accept our deepest sympathy. We know this is a very difficult time for all of you. May God be with you every step of the way.
