“ Dear Cyndi, Ryan, Myles, and Tyler,  
Wes and I are deeply saddened by the loss of your husband and father, John. We are so grateful to have been able to spend a bit of time in October when we were in town with both you and John. It was the first time I saw him in over 30 years, but he is still the same remarkable and special man I remember. We know that he will be greatly missed by everyone who knew him. We are also confident that our father God has a special place in heaven for him and that he will continue to live on through the love you have for each other until the time comes when you will see him again. Love to all -

“ My Dearest Friends,

*I am so very sorry for your lose. John was a wonderful person and made others feel the same.*

*I think back over the years and many of my favorite thoughts were when our son's played baseball together. Having our families set together and cheer our team on was so wonderful and meant so much to the boys to feel that support. John was always happy and in a good mood. His personality was positive and always very supportive of everyone's efforts. I enjoyed seeing and spending time with John. John has been a very big part of these loving thoughts over the years and he will be for all the rest of my years.*

*I love you guys and I am so sorry*
