“ Thanks Laurie for getting in contact with us . only wish we would have known Jack had been sick. He spent many days with our family and my father in law who is in a nursing home.. He loved my kids and especially thought our daughters were angels.. The world lost a good man with a BIG Heart who suffered alot on this earth. May God let him rest now and be free to do whatever he wants to do without pain. Please know we are grieving his loss and are praying for his entire family as well. Thanks again for letting us know and I did contact my mother in law too as my father in law will be heartbroken that his buddy Jack is gone now.. I have told everyone who used to work at Patmai with him and they all offer their condolences. We will think of Jack often with fond memories of his Laugh and jolliness... Bless Jack Dear God and keep him in your loving care until we meet again.##imported-begin##denise and anthony darnell##imported-end##
