“ Dear Helen, Sharlene, Tracy, and Doreen,
I was so saddened to hear of your loss. Although I had only met John a few times, I was always so impressed by him- it was obvious to me that he was a man of honor, love and pride. I could see that he loved life, and especially loved and took pride in his family. God bless you all in your time of sorrow. He is your angel now. With much love, Judy.##imported-begin##Judy Busha##imported-end##

“ Helen, Sharlene & Doreen:
You were the most important part of John's life and we knew that by the way he spoke of you and the stories he told. His second passion was his work in the union and for that we thank you for sharing him. Those of us who were seasoned by him know first hand of how hard he worked. He worked hard to get us where we are, he wanted us to succeed, at times he was tough on us but as he said it was only to make us strong. We met him as leader, grew to know him as our teacher and friend, learned to love him like our father and will always cherish the memories. As my John reminds me your John always knew how to spot the perfect cigar. We will never forget the good times!###imported-begin###Sandy and John Laemmel###imported-end###
