“ To all of our family and friends,

*I want to thank everyone who came to visit with Dad.*

*It is easy to forget sometimes how important it is to be the "right" kind of person in this busy world. Seeing everyone shower my father and family with love has reminded me how important it is to keep the Lords word in our hearts always.*

*My father was a wonderful man and it was very clear to me that many, many others felt that same way too. Even though it is hard for us to say good-bye, I know he will be with all of us always.*

*God bless you##imported-begin##Brian turo##imported-end##*

“ How I wish I could be there with you! Please remember how much we love all of you! Uncle John was the best godfather ever! He was my strength and the guide for the whole Turo clan whenever we needed him. Like an old grizzly bear he would growl and then hug you and you knew it would be all right again. Give him a kiss good bye for me. I know they are all rolling the barrels and playing Let Me Call You Sweetheart in a better place and waiting for all of us. I will see you soon. I want each of you guys to give my godmother a big kiss from me she is an inspiration to me! All Our Love Michele, Gary and family###imported-begin###Michele, Gary & family###imported-end##
