“ *Dear Marcia and family - We are so sorry to hear the sad news of John's passing. Joe and I have many precious and happy memories of our years together as both neighbors and friends in Washington, and SS John and Paul. We always enjoyed John's laid-back, relaxed, warm and friendly personality. Our prayers and thoughts are with you all - he most certainly is already missed by countless friends, at the same time leaving all with wonderful memories!*

“ Marcia,

Jack, Kimberly, Susan and I send our deepest sympathy and want you to know that we enjoyed John's company and the lively discussions we had at Nick's. Will miss him! We would all laugh as he used to say when he would greet me, "I'm still kicking"!! We are sure that the lord has reserved a very special place for John.

*God bless you and your family

“ *Better friends than John and Marcia are hard to find. Our many years of friendship have brought memories that will live on throughout our lifetime. John was certainly a laid back kind of guy who would rather be watching a baseball game with a cold beer than go to a glamorous gala event. One just had to admire his relaxed way of life while still enjoying his family and friends. We'll miss you John, you're one of a kind.*

“ To Marcia, Johnny, Donna and Sandy, and the family... we are thinking of you all and wishing you peace and comfort as you remember John. We will always think of him with love. He was a kind and compassionate man. Over the years, from our Coram days to today, we have had so much fun together and we will cherish those memories forever. May he rest in peace. We love you all.
