“ *To the Felczak family,
I was saddened to hear of your dad's death because when
someone loses a loved one who has meant so much to them, it's
hard to know how to begin to express sympathy and words of
comfort. I can only say that your sorrow touches me deeply...and I
want you to know that I care much more than I could ever find
words to tell you. Cherish the memories and keep the faith! With my
sincerest condolences--

“ Grandpa

I will never forget all my softball games you attended and gave the umpires a hard time. I will never forget how soft your hair was. I will never forget all the silly/sassy things I did to make you laugh and smile. And I will miss feeding you and talking with you and hearing your stories. The past few months I really enjoyed our time together. I will never stop thinking of you and always treasure our time we spent together.

I Love you Grandpa!
