“ I was friends with John in High School. John was a real good guy and friend. Eventhough we didn't keep in touch, I feel a whole in my heart at his passing. Rest in peace buddy.

“ So sorry to hear about this passing. He was much too young. I remember him as he was when he as a young teenager. He was so happy-go-lucky and had an innocence of a person just waiting to go on the next adventure. Simple things bought him so much joy. I never knew him to be hateful or to hurt any person. Even a frustration brought a out his wry sense of humor. I know he loved his family and he was so close to his sister. I can remember how he used to tease his dad and how he loved his aunts. I remember how even at this age, he was interested in things with monster themes and comics and all those coins he was collecting. Even as a young person he had quite a collection and was so excited over a new find.

He is in my prayers.

I know that his family, particularly Cathy will be inconsolable with his passing.##imported-begin##Robert Waslowicz##imported-end##

“ I was deeply saddened to hear of John's passing. I was his friend and physical therapist for the past year. He was a kind and caring man who always had a compliment or nice thing to say every time I saw him. He touched my life in more ways then he will ever know. I will never forget him.##imported-begin##Lori Hamby##imported-end##

“ My dearest friend Cat, I am saddened and heart broken. I loved him like he was my brother. I have such fond memories of him lying on his bedroom floor playing with his dinosours. That boy loved his dinosours and scary movies. Loved to watch "the goul" and anything creepy. He was sweet and gentle and a kind soul. Going on vacation with your family to Port Austin, he was never a bother, unlike my brothers, he was always a sweetheart. I will think of him often as I remember my childhood. I love you sister, hang in there. Wish I could be there for you. Just know I am thinking of you and sending all my love your way. Forever my little brother. Always, Sis, Cyndi##imported-begin##Cynthia##imported-end##

“ I didn't know Johnny for a long time just over a year but it was a great year. He made such an impact in my life including my Daughter Addison and his niece Nicole. He was always a joy to be around and brought a smile to our faces. I believe that he is the nicest kindest man I have ever met and I feel blessed being a small part of his life.
