“ I was deeply saddened to hear about the passing of my dear friend. Even though it had been years since we spoke, it feels like yesterday. We had so many wonderful times as kids in the old neighborhood. John was the leader, the guy who went to bat first. He would always lend a hand, help out, or have your back. You never worried when "Auggie" was around. I could have never asked for a better friend. May you rest in peace my friend, and enjoy the express lane to Heaven, you deserve it ! “ To the entire Augustyn Family-

Our deepest condolences and sympathy are with your family during this time. We will always remember the many good times we had with John.

From the parties where we talked over a beer, or the good times we spent with him in Muscamoot Bay on a beautiful Sunny afternoon, remind us how great of a person he was.

We will always remember his smile, his caring attitude and easy going personality.

May God comfort you during this time of sadness, but may you also find happiness knowing that John loved each and everyone of you.

God Bless

“ To the Family of Mr Augustyn,

I'm am so sorry to learn about you recent loss. Having loss close family to my greatest enemy cancer, I know the pain you've felt and now feel. When you first learn of a cancer diagnosis it's like a sword cutting your heart. What has brought me comfort during my difficult time was God's word, the bible. Mediating on the scripture helped me to see that God didn't intend for mankind to have this vicious cycle of life, sickness, old age and death. In fact, by means of his kingdom he will end all sickness (Isaiah 25:8). He'll reunited us with our dead loved ones by means of his son, Jesus. (John 5:28,29) And he will also cause 'death to be no more'. (Revelation 21:3,4) These hopes have brought me comfort and may they do the same for you.###imported-begin##Mrs. Butts###imported-end##
