“ Joe, although I never met your father or your family. You were a very true individual when I knew you in college, you got it from somewhere. My thoughts and prayers are with you and your family through this hard time. Peace be with you.

“ *Kristine and Family,*

I was sorry to hear of the death of your husband and father. I remember how active and involved you both were at Notre Dame, especially when it came to events involving your sons.

I will remember him and your family at Mass. With the prayers of the Marist Fathers, Fr. Joe Hindelang, s.m.##imported-begin##Fr. Joe Hindelang, s.m.##imported-end##

“ *Dear Kris and Family, I met John when we were about six years old and in first grade at St. Jude School. To me, he will always be the red-haired freckle faced boy running across Heilmann Field with his Irish Setter, Lady. He has a special place in my heart and so today my heart is very sad. My thoughts, prayers and deepest sympathy are with you and your family.Christine Martinelli Trapp##imported-begin##Christine Martinelli Trapp##imported-end##*

“ To one of the best families I know. You have my utmost sympathies and I send my love to you all in your time of grief. I know what a great man John must have been by the wonderful children he raised. Joe is one of my best friends and my heart truly goes out to all of you. God has blessed you with so many wonderful years with him and now he has gone to God. Peace be with you all and my thoughts and prayers will be with you.

God Bless,

“ I am so sorry for your loss, Grandpa was a dear, generous and wonderful man and the world was a better place for having him be a part of it, and Catrina and I are better people for having known him. I am heartbroken I won't be able to be there for the services in person, but know that all of you will be in my thoughts and in my heart.
