“ Where are the pictures of his first wife, son and daughter? Where is the stories of his infidelity and running away from his first family, never giving them any help or thought? This man has a lot of bad secrets and is just pretending to be a "normal" man. He used to pay teenage boys to watch him have sex with women in his car. It was something his dad used to do with him! Go ahead and mourn for him, he certainly left a trail of tears behind him!

“ *Dear Marilyn and Family*

*We are so sorry to hear about Jon. He was the most sincere person I ever met. When Jon would walk into a room he would light up the room I would enjoy listening to his stories and his jokes. He was a wonderful Husband to you Marilyn and you were very lucky to have met him. May he rest in peace and knowing that he went to meet God.*
