PS

“ To The Friends Of Joseph A Abbate,
I am ONE of Josephs Children, One of Five Amazing Children
whom attempted to Contact, see, reach out to and Took care of him
in his many years of Life. Joseph Was flown to Florida Proceeding
his Stoke where I took Care of him Once again nursing him back to
health for Months as I heard over and over, as I and My sibling did
for years, YOU are NOT my daughter, I have NO Children, You are
worthless, you will Never amount to anything, and I DISOWN YOU
when things didn't go his way, and I am Saddened to say even in
his last days, NONE of us (his children were ever Notified of his
Death, Funeral proceedings , or services to take place. One step
further, The Funeral home, Nursing home and Church were told to
turn us away, if we were to find out and show up. That was the
thanks we all got for taking care of him in his time of need. "I have
NO Children!!!" I am deeply sorry that whatever was hindering Him
in his life, let it be known, HE DID have 5 Amazing Children, who
have all been there for each other, and will continue to support each
other in OUR Hard times IN DEALING WITH our LOSSES
Especially to Our Mom. Victoria Abbate who was The Glue of our
family and Reiterated throughout our life to our Dad That Family
Sticks together.
