“ *This note is late in coming, but our condolences are sincere. Joe was a faithful volunteer at World Medical Relief from 2003 to 2007. He worked on repairing donated wheelchairs that could be given to hospitals and clinics in developing countries where the need was great. He supported our agency after he was no longer volunteering by attending our annual gala. We remember what a wonderful dancer he was!*

Several people at WMR were privileged to share a plane ride with him - what a thrill.

His name has come up often in conversation, and he will be long remembered.

“ *When Joe Haas was made, he broke the mold. What a kind-hearted, unique man who, along with his wife, raised kind-hearted children. I remember sailing with Joe, with his unbridled enthusiasm, on Crystal Lake... Wishing you peace to bring comfort, courage to face the days ahead, and loving memories to forever hold in your heart. Love, Susan Kesler*

“ Mr Haas was an important part of my life growing up. I absolutely loved all the sailing outings, the visits to the cottage, and the bike rides. He took some Girl Scouts and Boy Scouts up to the Mackinac Island Bridge walk. Went flying with him twice, it was great. I remember he took the family, and me of course, to see the play "Tess of the D'ubervilles" and afterwards we all stopped at an ice cream shop, and we all got double scoop ice cream cones. I remember thanking him because it was the first time in my life I had a double scoop cone!

Later in my life, he drove me to my college campus in the morning, went to work, and picked me up and drove me home at day's end (part of the time Sonja was also there, and then she moved on campus, and it was just me and him). We had many good conversations, and he was always very supportive of me. He visited me when I was in the hospital.

I will miss his Christmas newsletters.

I have not seen him in several years, but I will miss him greatly. He died as he lived - with great perseverance, and dignity.

“ *I remember Mr Haas pulling his plane out of his garage on the alley and driving away to go flying, and when he came back putting that plane away. It was the neatest thing to watch. This is one of many memories and I am so sorry for your loss.*

“ Our sincere condolences to the Joe Haas Family. Our friendship goes back many years as fellow parishioners at Holy Name Church, and the close boyhood/scouting experiences with our late brother, John. Joe was like a member of the family, going on outings, and visiting on a frequent basis. We came to know Joe's parents and his late brother Rudy very well. Milestones were celebrated such as graduations, scout awards, graduation from Wayne State University and weddings - Joe to Betty, John to Donna, and Joyce to Tony. Tony came to know Joe through the Wayne ROTC where Joe was well known as an enthusiastic and well-respected member of the corps. Joe was unique in so many ways: dedicated to his family; a committed volunteer at his church and the Detroit Symphony; a marathon runner; a civilian pilot ;and a proud graduate and loyal alumnus of the University of Michigan. Joe was a very special and extraordinary man. He embodied so many wonderful attributes and qualities including: friendship, loyalty, kindness, consideration, compassion, enthusiasm, talent, high intellect and many interests such as family activities, camping, hunting, flying, and sports (especially UM football). He was most of all, a good man and both a wonderful talker and a careful listener. Our experiences with him at UM football games will always be treasured. May his memory be eternal.

“ I remember coming up in back of him when we were riding on the TOSRV bike tour and noticing that his calves were like tree stumps, constantly pedalling. . We passed him up and he finally caught up with us in Portsmouth. I always have that image in my mind whenever anyone says "Slow & Steady Win the Race". Farewell Joe, it's our turn to catch up with you,

*Farewell, Old Friend,
We go back to 1948, working together on the 1949 Catholic Central yearbook. Lots of memories, Joe: planning class reunions and solving world problems at the class of 1949 monthly Big Boy luncheons. We were "charter members." Give my best to Ray Holland, Jack Wenson, Bob Toal, Dick Bonds, Joe Dooling and all the men from the Catholic Central class of 1949 whom you are now with.
Ave atque Vale,
Bill Gagnon*
