“ *Joe was most appreciated by the staff of Wolfe Middle School. He was always so helpful in resolving building issues. He always did whatever was needed to be done with a smile. Just a very kind and giving person.*

“ *Met Joe and Pat through our kids going to school together he was always a riot to talk to and socialize with. Awhile back we ran into each other at Discount Tire in Chesterfield. We talked about our kids as grown ups and he was beaming about Joe and Tommy and how proud he was of them. I remember telling him that he threw some of the best graduation parties I've ever been to. Our condolences to Pat and the families of Joe and Tommy as well as all who knew him for he shall be missed*
