“ Joe was a pleaser to talk with every morning at work, even before his first cup of coffee! He was constantly saying "thanks for making coffee for me" and offering his help with what ever I needed thought the day... The way Joe put others needs before his own made him priceless both as a friend and co-worker. His is greatly missed and I would like to send my condolences to his family...

“ I was lucky enough to know Joe through Owen -- Joe bowled with us in '88-'89 and again in '93-'94. Joe had recently stopped by the bowling lanes just a few weeks ago to say hello. A terrific guy who was well liked by everyone. My condolences to his Family.

I enjoyed the times we spent together and will miss Joe's feisty personality. May the support of your friends and family help you through this difficult time.

“ Not only was Joe a terrific person to work with, he had a great personality that will leave a huge void in the hearts of all those that knew him. His attention to detail in everything that he did was the reason why I called him Slopy Joe! You'll be missed, Slopy Joe!

“ Donna, I am so very sorry to hear of your husband's death. Joe was a very freindly, fun man. It was so nice to see both of you at my dad's birthday party and I know that we share wonderful memories of that time. I am not able to attend the funeral, but please know that you and your family are in my thoughts and prayers.

“ I only got the opportunity to work with Joe for a few years...but during that time, I considered him more of a friend than a co-worker. He was truely a great guy, with a warm personality that made him fun to work with.

“ We considered more as a family member than a neighbor. He was a big part in my life growing up and the girls loved him so much. Briana will miss "uncle joe" and going to to nonna's won't ever be the same. We love you Donna and we will be here for you.

“ Joe and I worked together a few years back. He was a great addition to our work family. I would tease him about his Purple Ram, the Pond he always talked about finishing (but never did) and falling off the roof because he refused to buy a roof rake. He, of course, would laugh it off and come back at me with something. Joe also brought me some of his wife's famous zucchini bread. Man, that bread was amazing! We had a lot of good times at work and it made the day fly by. He will always have a place in my heart...
