“ Hi Sarah and family,  
Again, I am so sorry for your loss, it is also a loss to us as well. I know Joe is resting in peace. I am remembering him and us in all the fun we have had together. Like the fun times we had on the pontoon and when Joe was sitting at the kitchen table crabbing about the guys who were hanging around like cock-a-roaches. How about the time when Billy lost the (new) motor and Danny and David were holding on to Billy for dear life. All those needed trips to Brooklyn for ice cream with sprinkles and the large amounts of donuts and treats on top of the fridge. The wonderful evening bonfires at Bill and Ester's along with many more great memories with your whole family. These were all made possible with Joe as the party coach and I think I hear him saying, "keep the party going!"

All my love,

Diane :)###imported-begin##Diane Leathers###imported-end##

“ To the Family, May each of you find comfort in knowing that God is "near to those that are broken at heart; and those who are crushed in spirit he saves." (Psalm 34;18) He has promised to soon "swallow up death forever...and wipe the tears from all faces." (Isaiah 25;8) Take care,###imported-begin##valerie thompson###imported-end##

“ Dear Mrs. Scalabrino,  
So sorry to read about Mr. Scalabrino. I let my mom know and of course she was very sad to hear of your loss. My dad is in a nursing home in Kalamazoo and I'm sure would express his sympathy also if he were able to understand. I know you were close friends.###imported-begin##Sue Ianitelli (Deitrick)###imported-end##
