“ *My thoughts and prayers are with all of you. Joe was such a sweet and kind person. May the Lord bless all of you and send you comfort and peace. It is hard to put into words the deep and profound sorrow I feel at Joe's passing. I am truly sorry.*

“ *I am so sorry for your loss. Joe would always talk so highly of his family. I have always considered Joe a dear friend of mine and I worked with him for many years at AV Tool. We also enjoyed endless nights of conversation and great times playing softball together. Joe had an incredible arm and could throw a baseball as hard as any, and was a dedicated and talented machinist. I wish we would of stayed in touch, as time seems to pass so quickly. RIP*
