“ *Our Deepest Sympathy and so very sorry as we were not able to make it to the viewing or service. We go back a very long time from Barlow to when the service you gave for my Mom, Millie Horeski was simple yet filled with such wonderful memories. As everyone grew the area on Barlow changed and we went so many different ways. I recall mostly when Joe walked home from work during the summer and Betsy, Joey and Audrey knew it was time to get out of "auntie Millie's pool and go home for dinner. May Our Dear Lord keep you all safe and secure in the palm of his hands and his Loving Angels wrap their wings around you and bring some comfort. Our love and prayers are with you always. God Bless, Thomas and Susan (Horeski) Boguslawski and family. (I was in the hospital at the time of his passing but my continued prayers will remain with all of you).*

“ *Over the years, I have had the opportunity to serve God's people in various ministries. Working with the Wasik has been a true blessing for me for which I will always be grateful. Mr. Wasik was an example of a man who lived his faith. I am always happy to suggest the Wasik Funeral Home where you will be served with kindness and comforted in true sincerity. I have know courtesy and goodness in working with the Wasiks. It was Joe Wasik that I met back around 1990. He has influenced my life for the better. It is my prayer that his loved ones that predeceased him will welcome him home and all the families and people he ministered to will surround him and applaud his Homecoming!*

“ Sorry for your loss. Joe Wasik was a great funeral director who always had a kind word for everyone. When he was still working I would chat and talk to him at various cemeteries a few times every year. He was never in a hurry and always had time for a few kind words. A tribute to funeral service. May He rest in peace.
