“ *My deepest sympathies are with you and your family at this time of grieving. As a neighbor, Joe was one of the most friendly happy men I've ever known. Always a smile and a wave!! I'll miss that, but never forget it.*

“ *My Uncle Joe was a wonderful man. I will miss his great warmth and sense of humor. While I did not see him often after moving to California, he was very welcoming and ready with a quip when I did see him. Indeed, at a family function a few years ago, I had the honor of sitting next to him. Throughout the evening he slapped me on the back a number of times while joking and telling stories. Near the end, he looked at me and said "Well, do you want to move back?" Uncle Joe made me feel like I had never left. The world will miss his warmth and sense of humor. My deepest sympathies go out to his family, especially my dear Aunt Bernadine. Mike Ziebron*

“ A childhood highlight was our family's annual summer trip from Springfield to Detroit to visit our "big city cousins". A lasting memory is Joe fencing with Richard and Johnny in the living room. We were in awe! So much time later and so many miles apart have not lessened the loss and sadness we feel now. We remember cousin Joe with love and pride.

“ Joe and I were members of the Beierman Poker Club along with Ray Scholy, Jerry Warren, Don Norat, Tony Schaloub and Marion Jurewicz.
We will always remember Joe's favorite game "Seven Card No-Peek" of which it seemed like he had total control of the decks of cards winning seemed like 75% of games.
Joe was an excellent left handed golfer with a contagious laugh which we will always remember.

“ *My deepest sympathies to all the of the Zaccagni family. Mr. Z was an incredibly kind and generous man who raised a terrific family and treated his kids' friends like they were part of it. My most touching memory of Mr. Z was when he came to my dad's funeral in 1998 even though the two had never met. He said that even though they never met he wanted to pay his respects since my dad had always treated Paul so well. I was also so impressed and inspired by his passion for architecture and think about him every time I see a Frank Lloyd Wright design.*
