“ It is only by chance that I know of Uncle Joe's passing. It has been many years since we had last seen each other. I'm happy that he made it to 90. His brother Tom, my dad, just made it to 80 (to the day).

I offer my belated condolences to the family. Maybe we'll meet again some day.##imported-begin##Brian Domsic##imported-end##

“ First of all, All condolences (From my Brothers Jerry, Edward and myself Leonard) go out to the Domsic Family. I worked for Joe for a short while at the Chrysler Warren Stamping Plant until I received my Die Maker apprenticeship. To me he was know as #1. Rick's Father, #2.A Quality Control Manager, and #3. The Cigar Man. I wish the Best to Rick and Deb. Glad you guys are still together. L.L. is still alive and walking. I only just recently heard about your Father's passing today from my brother Eddie around 1:30PM today. My brother Jerry contacted him but obviously too late. I would have went to Wasik's to see you both, and knelt to say a prayer for your Father Joe) if I had only known. I will Pray for him tonight. Love, Peace, "Moname!", and of course, "Take It Slow!" I sure am. Lenny##imported-begin##Lenny Lanivich##imported-end##

“ *Domsic Family*

We are saddened at the passing of Joe Domsic & wish to extend our condolences to the family. Joe was a big part of my early career at Chrysler; specifically at Warren Stp where my career started in 1964. He, along with many others, taught me a lot about Manufacturing & the people who make companies successful-Hourly & Salary. Joe also demonstrated his ability, with his wife Mary's assistance, how to organize & throw a party. Being on the 2nd shift prevented us from attending many Mgmt functions; however, Joe along with others initiated a 2nd shift Stamping Mgmt Club group that proceeded to hold many 2nd Shift Stamping Group Dinners & Dances- Joe was a true PRO! Nila & I will truly miss him, his mischievous smile & his can do attitude.
