“ Dear, Dad, Aunt JoAnn & family

I am so sorry I was not able to make it up for there for you both. Words cannot express how sorry I am for not being able to get to Michigan and be there for you and tell you I'm sorry in person.

Papa has waited almost 30 years to be with Grandma again, so I know that he is up there a very happy man and having a great time with Grandma Rita and Babcia .. just like old times!

I feel very blessed that I was able to be home last Friday and spend time with him and talk with him and tell him that I missed and loved him!

You are all in my heart, and though I am 500+ miles away, I am there with you and cry with you and holding your hand!!

I love you
