“ I met Joe and his family through the KofC and my father (Chuck) many years ago. I remember spending many summer afternoons in their pool and with the Connors at KofC events. When I heard of his passing I thought how sad it was, especially because he's still so young. I remember Joe always had a smile on his face and was so friendly. I know Joe is in a better place now where he is not suffering any longer. My thoughts and prayers to the family and friends of the Connors.##imported-begin##Katie Jennings##imported-end##

“ To Joe's family and loved ones: What a tragedy! My heart hurts for you all.
I thought the world of Joe and worked with him many years. He was so patient with me way back when we introduced the computers. I worked in Louisville, MS so he came there a good bit as well as me going to Washington. A great man, a good man and a true family man that loved his family more than anything. You will be in my thoughts and prayers. It is such a sad day for us all! May God bless you and help you find peace during this difficult time.##imported-begin##Carol J. Turnipseed##imported-end##
