“ I worked for Grandpa Joe for 2 years as his caregiver. It has been 2 great years with him and his beloved daughter Cheryl. It was like from home to home everyday. With his words of wisdom, financial and moral support I was able to endure life's challenges. He was such a kind hearted person surely he had touched not only my life but my kids and grandkids as well. He never fail to think of what food we are going to eat, are we warm enough during winter and made sure we have air during summertime. He even worried how I get to his home and kept bothering Cheryl to buy me a car. I am so blessed to be a part of Barkovich family and thank you so much grandpa Joe, you will always be in my heart so long for now till I meet you in heaven I love you!###imported-begin##Emily Torres###imported-end##

“ Mr. B was a loving and caring man. I met him 40 years ago when I met my dear friend Cheryl. He and his wife Edith were always very supportive of Cheryl which in turn meant me. Unfortunately Edith died way too young. Joe was still there to help and encourage us. He will be missed and is hopefully in a happier place.###imported-begin##Chris Schneider###imported-end##

“ Joe was very fortunate to have spent the last three years of his life in the wonderful care of his daughter, Cheryl. She often took him to Dodger and Redwings games. The last two years of his life Emily, his care giver, came into his life as did her family. They became Joe's extended family showering him with love. He had a good life and will be missed.##imported-begin##Evelyn Lucero##imported-end##

“ To the family of Joseph Barkovich,
I am sorry for your loss. May you find comfort in knowing that God is "near to those that are broken at heart; and those who are crushed in spirit he saves." (Psalm 34;18) With sympathy,##imported-begin##kelsey lee##imported-end##

“ What a great-great uncle you were. Sorry we couldn't be there to say good-bye. You are in our thoughts and prayers.

Love,

Jessica, Matthew, and Scott##imported-begin##Jessica, Matthew, and Scott Priebe##imported-end##
